## **WHEN YOUR'RE PRESSURED TO CONFORM** **Thrive No Matter What Life Throws at You – Pt. 2**

"Fire tests the purity of silver and gold, but the Lord tests the heart." Proverbs 17:3

### **Before every blessing there's always a testing**

"We speak God's message because God tested us and trusted us to do it. When we speak, we are not trying to please people, but God, who tests our hearts."

1 Thessalonians 2:4

### **God tests us with stress before He trusts us with success**

"The king assigned them a daily ration of food and wine from his own kitchens. They were to be trained for three years, and then they would enter the royal service.. . But Daniel was determined not to defile himself by eating the food and wine given to them by the king. He asked the chief of staff for permission not to eat these unacceptable foods." Daniel 1:5, 8

Daniel's first test shows . . .

## **4 QUALITIES GOD LOOKS FOR IN YOUR LIFE**

### **1. \_\_\_\_\_ – He never forgot who he was.**

"Daniel determined not to defile himself . . ." Daniel 1:8a

"Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you,.." Romans 12:2

### **2. \_\_\_\_\_ – He controlled his ego and his appetite**

"Daniel made up his mind not to eat the food and wine given to them by the king." Daniel 1:8a

"Do not let any part of your body become an instrument of evil to serve sin. Instead, give yourselves completely to God, for you were dead, but now you have new life. So use your whole body as an instrument to do what is right for the glory of God."

Romans 6:13

### **3. \_\_\_\_\_: He was willing to stand alone**

"Never follow the crowd in doing wrong, and don't be swayed in your testimony by the mood of the majority." Exodus 23:2

### **Humility: He was tactful with authority**

"Then Daniel asked chief official for permission to eat other things instead. Now God had given the chief official great respect and affection for Daniel. But he said, 'I'm afraid of my lord, the king, who ordered that you eat his food and wine, And If you aren't as healthy as the others, I fear the king will have me beheaded!'

"So next, Daniel talked it over with the guard appointed to look after Daniel and his three friends. Daniel offered a suggestion: 'Just test us for ten days on a diet of vegetables and water. Then see how healthy we look compared to the young men eating the king's food. Then you can decide whether or not to let us continue eating our diet.' So the attendant agreed to try Daniel's suggestion.

"At the end of the ten days, Daniel and his friends looked healthier and better nourished than any of others in the king's training program. So after that, the guard let them eat their own food . . . When the 3-year training program was completed, all the young men were brought to King Nebuchadnezzar, who talked with each one individually. None impressed the king as much as Daniel and his 3 friends. So they were each promoted to positions in the king's service."

Daniel 1:8b-16, 18-19

#### HOW TO MAKE A CASE TO AN AUTHORITY

- 1. Develop a reputation for responsibility**
- 2. Be humble and not belligerent**
- 3. Don't be deceptive or manipulative**
- 4. Appeal to their goals and their interests**
- 5. Choose the right place, time and words**
- 6. Trust God if they reject your appeal**

#### WHAT GAVE DANIEL THE COURAGE TO STAND ALONE?

"Don't become partners with those who reject God. How can you make a partnership out of right and wrong? That's not partnership; that's war. Is light best friends with dark? Does Christ go strolling with the Devil? Do trust and mistrust hold hands? Who would think of setting up pagan idols in God's holy Temple? But that is exactly what we are, each of us a temple in whom God lives. God himself put it this way: 'I'll live in them, and move into them; I'll be their God and they'll be my
